powers and duties to the Local Governing Bodies and

Kents Hill Park Schools

For the financial year 2022 – 2023

Approved July 2022

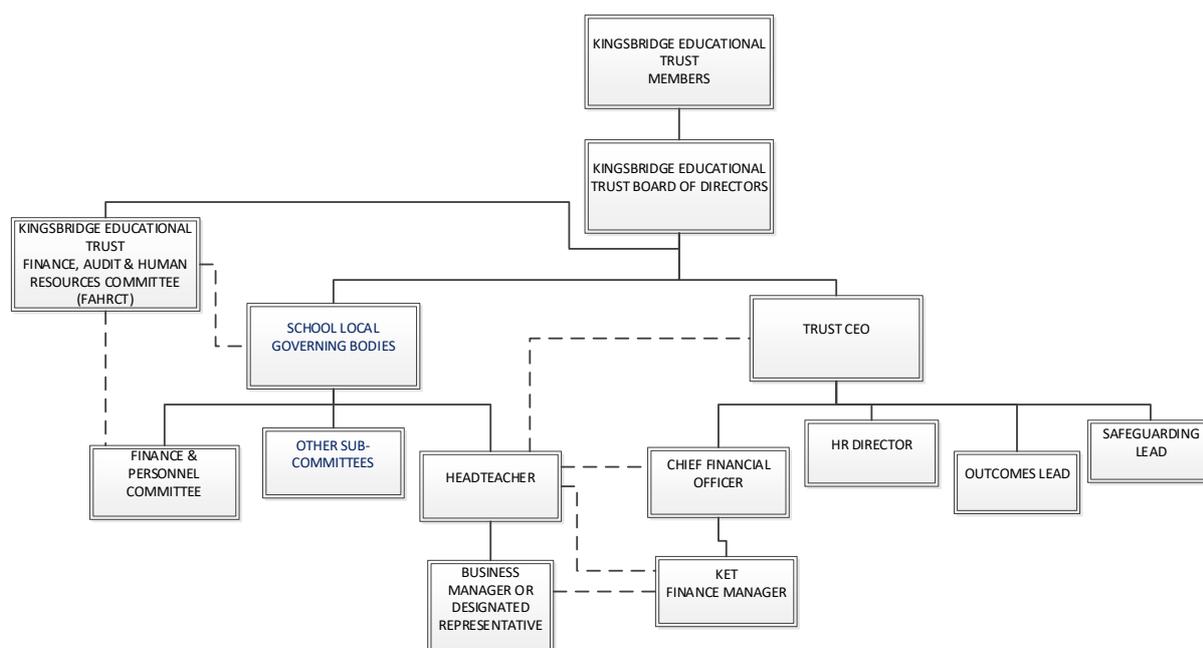

Scheme of Delegation – Introduction

Oakgrove School, Middleton Primary School, Monkston Primary School and Kents Hill Park School (the Schools) are all part of Kingsbridge Educational Trust, a multi-academy trust (MAT), which is responsible to the Department for Education (DfE) for all its schools. The Trust is governed by the requirements of the various Academy Funding Agreements between itself and the Education Skills Funding Agency (ESFA), and also by the Charities Acts, the Companies Act, and the provisions of its own Memorandum and Articles of Association as well as the Academies Trust Handbook.

Under the Trust’s Articles it has established a Finance, Audit and Human Resources Committee, and a Local Governing Body (LGB) for each of the schools. The Trust has delegated to LGBs much of its responsibility for the strategic direction of each school and also for monitoring performance in all fields, including financial. The LGBs in turn delegate some of their authority to the sub-committees that they establish and to the Headteachers of their respective schools.

The Trust Board of Directors (BoD) also delegates some of its authority to the Trust Chief Executive Officer (CEO)/Executive Headteacher who in turn may delegate authority to other directors/senior leads within the executive function of the Trust.

The following diagram shows the relationship of the parties to the scheme of delegation:

Terms of Reference

The Board of Directors

The Board of Directors (BoD) is responsible for ensuring that high standards of corporate governance are maintained. It will exercise its powers and functions with a view to fulfilling a largely strategic leadership role in the running of the Academies. This will allow greater opportunities for collaboration, not only with regards to teaching, but also in terms of the management of each Academy, including the procurement of goods and services.

The BoD is also governed by the terms of any Funding Agreements that are in place, the ESFA's Academies Trust Handbook and the Treasury publications "Guidance on Codes of Practice for Board Members of Public Bodies" and "The Orange Book: Management of Risk – Principles and Concepts".

Section 1 – Responsibilities of the Board of Directors

1.1 Directors are responsible for addressing such matters as:

- **Policy development and strategic planning**, including target-setting to support and ensure school improvement;
- ensuring **sound management and administration** of the Schools, and ensuring that managers are equipped with relevant skills and guidance;
- ensuring compliance with all **legal requirements**;
- establishing and maintaining a transparent system of prudent and **effective internal controls**;
- the Trust's MAT Development Plan (MDP);
- managing the Schools' financial, human and other **resources** (in particular control over the spending identified in the MDP);
- **monitoring performance** and the achievement of objectives, and ensuring that plans for improvement are acted upon;
- helping the Schools to be **responsive to the needs of parents and the community** and making them more accountable through consultation and reporting;
- setting the Schools' **standards of conduct and values**;
- assessing and managing **risk** (including preparation of a statement on the Schools' risk management for the annual report and accounts). The risk management process should include preparation of a risk register and a contingency and business continuity plan to deal with crises that could face the Schools;
- ensuring that employees of the Schools are paid for work done in accordance with their contracts of employment with the Trust;
- ensuring that the Schools have adequate insurance cover to support their activities.

It will be appropriate, in many cases, for the Directors to delegate personnel matters to the Finance, Audit and Human Resources Committee of the Trust (FAHRCT) or LGB as appropriate. The Board must then ensure that it obtains professional advice in establishing, enacting and enforcing personnel policies to ensure compliance with employment and other relevant legislation.

1.2 The Board of Directors will meet at least three times a year.

1.3 The LGBs and sub-committees support the BoD in a range of delegated and preparatory duties and report regularly about the work done and/or make recommendations on matters which the BoD may not delegate.

1.4 The LGBs and sub-committees ensure that all relevant School policies are in place and amended as and when required and report matters arising to the Board as required.

1.5 The Trust is established as a charity and this confers certain obligations upon the Directors to protect the assets, property and good name of the Trust. The legal requirements of Directors are set out below.

1.6 Directors have full responsibility for the Trust and must:

- act together and in person and not delegate control of the Trust to others;
- act strictly in accordance with the Trust's governing documents;

- act in the Trust/Schools' interests only, without regard to their own private interests;
 - manage the Trust/Schools' affairs prudently throughout the life of the Schools;
 - not derive any personal benefit or gain from the Schools of which they are Directors; and
 - take proper professional advice on matters on which they are not themselves competent.
- 1.7 In managing the Trust's finances, Directors must:
- ensure that bank accounts, financial systems and financial records are operated by more than one person;
 - ensure that all the Schools' property is under the control of the Directors;
 - keep full and accurate accounting records; and
 - prepare accrual accounts giving a true and fair view of the Trust/Schools' incoming resources and application of resources during the year and of its state of affairs at the year end.
- 1.8 In applying the Trust's income, Directors must spend it solely for the purposes set out in the Trust's governing documents and spend it with fairness between persons qualified to benefit from the charity.
- 1.9 The BoD, whilst delegating the appointment of the Chair of the Finance, Audit & Human Resources Committee (FAHRCT) annually to the FAHRCT, specify that the Chair of the Committee must not be an employee of the Trust.
- 1.10 The Chair of each committee is elected annually.
- 1.11 The Chair of the BoD, in consultation with the CEO, Headteacher of the relevant School and the Chair of the LGB/committee, will take appropriate action when a decision is needed urgently on behalf of the Directors/LGB.
- 1.12 The Directors have a duty to take appropriate action when there are weaknesses in the Trust Schools.
- 1.13 The Directors will appoint a Headteacher to each School. The Headteachers are responsible for the internal organisation, management and control of the Schools, the implementation of all policies approved by the Directors and for the direction of teaching and the curriculum. The Directors formally delegate these powers and functions to the Headteachers.

Conduct of Directors/Governors

- 1.14 Directors, Governors and staff are public servants and as such must not use public monies or official business for personal benefit. The Directors/Governors must avoid obtaining goods and services that include elements of private use or accepting excessive hospitality from prospective suppliers. The Treasury rules about the receiving of hospitality and gifts should be followed, as these rules are there to protect staff and Directors/Governors. A register will be maintained to record hospitality and gifts received. This should record, as a minimum, the name of the organisation that gave the hospitality/gift, the date it was received, its nature and approximate value.
- 1.15 Directors/Governors should be aware that the Prevention of Corruption Act places the burden of proof on the recipient of favours.
- NB: All duties and responsibilities of Directors/Governors detailed in the Trust Financial Handbook (and other governance documents) apply equally to persons who are not Directors/Governors of the Trust/Schools but who have been appointed to serve on a committee of the Trust or those Schools in an honorary capacity.

Declaration of Business Interests

- 1.16 It is vital that Directors/Governors and staff act, and are seen to act, impartially. All members of the Board and LGBs are required to complete a declaration of their business interests. It is also required as a matter of good practice, that the Headteachers and other senior staff complete declarations. Individual declarations should be maintained together in a register.
- 1.17 Where a Director/Governor or member of staff (or related person) has any interest, either pecuniary or non-pecuniary, in a matter to be discussed at a Board meeting the Director, Governor or member of staff must declare their interest and withdraw from that part of the meeting.
- 1.18 Where a Director/Governor or related person has a pecuniary interest in a business, and that interest exceeds limits that may be specified in the Trust's Memorandum or Article of Association, the Schools must not enter into any contract or arrangement (such as the purchase of goods and service) with that business, i.e. The Schools would not be permitted to trade with a company in which a Director/Governor holds more than 1/100th of the share capital.
- 1.19 It is the responsibility of Directors/Governors and staff to ensure that their declarations of business interests are kept up to date at all times, and to amend or update them as necessary. At the start of each relevant meeting Directors/Governors should be asked to declare any interests in a matter included on the agenda.

Payments

- 1.20 It is illegal for Board members to receive any remuneration for their work as Directors, other than payment of all reasonable out of pocket travel, accommodation or other expenses legitimately incurred by them in connection with their attendance at meetings acting in the capacity of Director of the Trust.
- 1.21 No Director may hold any interest in property belonging to the Trust. Nor may a Director receive remuneration in respect of any contract to which the Trust or Schools within it are a party.
- 1.22 Members of the Local Governing Bodies shall also be bound by sections 1.20 and 1.21.

Board of Directors (BoD) meetings

The Board of Directors will meet a minimum of three times a year and will hold an AGM annually. No business can be conducted at any meeting unless a quorum is present. A quorum is three (those with full voting rights) or one-third of the total number of Directors with full voting rights, whichever is the greater. Fourteen days' notice must be given prior to the meeting to all Directors (in the case of the AGM notice must also be given to all Members and the Auditors).

- 1.23 Any three Directors may call an additional meeting via notice to the Clerk to the BoD. Any such meeting should be convened as soon as is reasonably practicable.
- 1.24 The Directors will appoint a Clerk to the BoD, who will be someone other than a Director or a Headteacher of any of the Schools.
- 1.25 In consultation with the Chair and Headteachers, the Clerk shall draw up a schedule of proposed meeting dates for the Board and sub committees. This should be submitted, for approval, to the full Board of Directors at their meeting which is held in July.
- 1.26 The BoD meeting in September will elect the Chair and Vice Chair, and agree membership of Committees.

Scheme of Delegation

- 1.27 The Directors must agree a formal schedule of matters reserved for their decision, i.e. those which should not be delegated within the Schools. Beyond this, the Directors will establish a FAHRCT, at Board level, to deal with specific areas of Trust/Schools' business, and should determine the delegated responsibilities to be assigned to the committee. This will ensure that matters can be dealt with in appropriate detail and with sufficient frequency.
- 1.28 Where the Directors decide to delegate certain matters for consideration by LGB committees, each committee should be chaired by a Governor. The membership of the committee may include persons who are not Governors provided that a majority of the members are Governors. The Directors will ensure that they receive adequate feedback on the work of those committees and are able to consider their proposals formally. The establishment of committees does not absolve the BoD of its overall responsibility to manage the Schools.
- 1.29 Directors/Governors are at risk of personal liability if they cause loss to the Schools by acting unlawfully, imprudently or recklessly.

Section 2 – KET procedures

- 2.1 The BoD will establish the following sub-committee:
- Finance, Audit and HR Committee of the Trust (FAHRCT)
 - And any other sub-committees it feels is appropriate
- The Governing Bodies of each School must establish a Finance & Personnel Committee (terms of reference agreed by the BoD) and any other sub-committees they wish.
- 2.2 The terms of reference for each committee of the BoD and sub-committees of the LGB must be approved by the BoD and reviewed annually.
- 2.3 The FAHRCT will meet as follows to discuss relevant business:
- Finance and HR Committee business – once a term, minimum
 - Audit Committee business – once each term
- 2.4 No persons employed by the Trust will act as Chair of a committee or sub-committee. In the absence of a Chair or Clerk of any committee the committee will elect a replacement from those present.
- 2.5 Each committee is authorised to invite attendance at its meetings from persons including parents and members of the Schools' staff who are not members of the Board, to assist or advise on a particular matter or range of issues.
- 2.6 The committees will only operate within their particular areas of delegation.
- 2.7 The Chair of each Committee will ensure that minutes are signed at the next meeting to confirm that they are accurate. Copies of the agenda, the approved minutes (subject to confidentiality exclusions), and papers for each meeting should be made available at each School for anyone to read.

Delegation of Authority

The schedule set out below specifies the way in which the non-financial responsibilities and duties identified by, or imposed upon, the Trust by the ESFA's Academies Financial Handbook (AFH), the Trust's Funding Agreement and by statute law, are allocated and how authority has been delegated.

SCHEME OF DELEGATION (non-financial)

Directors/Governors do not incur any personal liability in respect of anything done honestly, reasonably and in good faith in exercising their power to spend a School's budget share, or delegating that power to the Headteacher. The Governing Body is accountable for all actions taken in its name by individuals to which it has delegated functions.

Where the Headteacher delegates tasks to other members of staff, the Headteacher remains accountable to the Local Governing Body, and to the Trust.

This scheme of delegation, upon adoption by the Board of Directors, will be distributed to each Local Governing Body and Headteacher within the Trust as well as any key personnel affected by these arrangements.
